ALL members are encouraged to attend. Items and issues to be discussed or decided are as follows;

- 1) We will report on the tremendous success of the current season, and discuss the plans for the next year at The Historic Yuma Theatre.
- 2) The Membership will vote on the three Board of Director seats that are expiring. Nominees will be accepted at the meeting.

INPUT NEEDED

The Board is soliciting suggestions for future productions. This is your chance to be heard!! Have a favorite play? Want to see a certain musical? Please E-Mail your ideas and suggestions to your board at info@yumacommunitytheater.org.

Directors/Producers Wanted!!

We are still actively requesting potential Directors to participate in next season's productions. If you have a production you would like to Direct as part of next season's productions, please complete a Production proposal and submit it to the Board of Directors for consideration. Or if you are interested in becoming a producer or assistant director contact the board. We will attempt to place you with a current or future project.

2006-2007 Season Update

We're just past the Mid point for our 2006-2007 season, and the preliminary numbers are fantastic. "Nunsense" and "Oklahoma!" were hugely successful. "Let's Murder Marsha" appears ready to continue the streak.

This success is attributed in no small part to the very talented Actors and Actresses that performed. The Directors and producers for their respective productions did an excellent job managing and molding dozens of different personalities into elite performing teams. The stage, lighting, and house crews performed extremely well under sometimes tense situations.

A full report will be provided at the Annual Meeting on June 9th.
